Pharmacy and Therapeutics Committee

Meeting Agenda

The foundation documents used for most reviews are prepared by the University of Utah, College of Pharmacy, and are posted on the P&T Committee website after the meeting. Manufacturers wishing to submit any additional materials they would like reviewed as part of the process to:

Dr. Joanne LaFleur
College of Pharmacy
30 South 2000 East
SLC, UT 84112-5820

All materials must be clearly labeled that they are submitted for consideration as part of the state of Utah Medicaid Preferred Drug List Program review process. Materials must be received at least 60 days before the scheduled review date. Materials most useful to support the evidence-based process include any new evidence (information from clinical trials or studies when possible), unpublished materials the company would like considered as part of the process, or any other materials not likely to be included in a literature search.
